Attorney Docket No. 6180-000001/US

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicants: David DINGWELL *et al.* Conf.: 4878
Serial No.: 10/528,469 Group: 3676
Filed: March 21, 2005 Examiner: Unassigned
For: **COMPONENT INTERLOCKING**

**REQUEST FOR CORRECTION OF INVENTORSHIP
PURSUANT TO 35 U.S.C. § 116 AND 37 C.F.R. § 1.48**

March 7, 2006

Commissioner for Patents
Mail Stop AMENDMENT
Randolph Building
401 Dulany Street
Alexandria, VA 22314

Dear Sir:

In the course of reviewing materials relating to the above-noted application, additional information was identified which led to the conclusion that two inventors had been inadvertently and without deceptive intent omitted in connection with the above-identified application.

As the foregoing omission of the additional inventors was inadvertent and without deceptive intent, the Applicants respectfully contend that the provisions for correction of inventorship pursuant to 35 U.S.C. § 116 and 37 C.F.R. § 1.48 are available for effecting the necessary inventorship corrections. Accordingly, in support of this request to correct inventorship, the Applicants provide herewith the following documentation:

- (1) A statement from each of the newly added inventors indicating that the error in inventorship occurred without deceptive intent on his part; and

- (2) A declaration signed by each of the actual inventors pursuant to the requirements of 37 C.F.R. § 1.63. (Note, however, that while Mr. David DINGWALL disputes the co-inventor status of Mr. Wayne BRINKLEY and Mr. Bruce GALE, our investigation has revealed that while Mr. DINGWALL contributed to at least one claim, Messrs. BRINKLEY and GALE also contributed to at least one claim of the above-captioned application. Accordingly, Messrs. DINGWALL, BRINKLEY and GALE are co-inventors);

With this paper, the following copies of Assignment documents are also filed herewith:

- (3) Copy of Assignment (Deed of Assignment) from David DINGWALL to Cutting Edges Pty Ltd (ACN: 000 919 602) of 25A Violet Street, Revesby, New South Wales, AUSTRALIA 2212 with Assignment Recordation Cover Sheet and requisite Recordation Fee (\$40.00) filed on March 6, 2006 before the USPTO;
- (4) Copy of Assignment (Deed of Assignment) from each of Wayne BRINKLEY and Bruce GALE to Cutting Edges Pty Ltd (ACN: 000 919 602) of 25A Violet Street, Revesby, New South Wales, AUSTRALIA 2212 with Assignment Recordation Cover Sheet and requisite Recordation Fee (\$40.00) filed on March 6, 2006 before the USPTO;
- (5) Copy of Assignment (Deed of Assignment) from Cutting Edges Pty Ltd. (ACN: 000 919 602) of 25A Violet Street, Revesby, New South Wales, AUSTRALIA 2212 to Cutting Edges Replacement Parts Pty Ltd (ACN: 116 881 586) also of 25A Violet Street, Revesby, New South Wales, AUSTRALIA 2212 with Assignment Recordation Cover Sheet and requisite Recordation Fee (\$40.00) filed on March 6, 2006 before the USPTO;

- (6) The written consent of the assignee, Cutting Edges Replacement Parts Pty Ltd., pursuant to 37 C.F.R. § 3.73(b) to the requested correction of the inventorship of the above-captioned application; and
- (7) The requisite processing fee set forth in 37 C.F.R. § 1.17(i) of \$130.00.

CONCLUSION

In view of the above request and the supporting documentation provided herewith, the Applicants respectfully submit that all applicable requirements of 35 U.S.C. § 116 and 37 C.F.R. § 1.48 have been satisfied and that the inventorship of the above-identified pending application should, therefore, be corrected accordingly. A notice to that effect is respectfully requested.

Should there be any other matters that need to be resolved in the present request or the application, the Examiner is respectfully requested to contact the undersigned at the telephone number provided.

Dear Sir:

In connection with the request for correction of inventorship filed herewith, CUTTING EDGES REPLACEMENT PARTS PTY LTD (hereinafter "Assignee") respectfully submits that it is the owner of the entire right, title and interest in the above-identified application as evidenced by the assignment(s) submitted herewith, reflecting assignment of the entire right, title and interest by the originally named inventors, and the Assignment filed herewith for recordation reflecting assignment of the entire right, title and interest by each of the original and newly added inventors.

The undersigned is fully authorized to act on behalf of the Assignee in these matters and, on behalf of the Assignee and pursuant to 37 C.F.R. § 3.73(b), consents to the correction of inventorship as reflected in the request filed herewith for the addition of two newly identified inventors.

Respectfully submitted,

Recitals

- A. The intellectual property identified in the schedule to this deed will hereinafter be referred to as **The Intellectual Property**.
- B. Dingwall is an employee of Cutting Edges and during the course and scope of his employment with Cutting Edges he invented the inventions, which are included in the patent application listed in Part A in the schedule to this deed.
- C. Dingwall will be referred to as **The Assignor**.
- D. The Assignor wishes to confirm that any right, title and interest he may have in respect of The Intellectual Property, was owned by Cutting Edges at the time of filing of the applications listed in the schedule to this deed.
- E. In the event that the Assignor has any right, title and interest in The Intellectual Property pursuant to recital D above, the assignor wishes to assign to Cutting Edges that right, title and interest in The Intellectual Property, including any right to claim convention priority and the right to file applications for patents, designs, utility models, registration of copyright or any other intellectual property in respect of The Intellectual Property together with all common law and intellectual property rights therein including but not limited to copyright, free from all encumbrances.

This deed witnesses

that in consideration of, among other things, the payment by Cutting Edges to the Assignor of **AS\$1**, the receipt and sufficiency of which is acknowledged, the parties agree:

1 Assignment

- (a) The Assignor assigns to Cutting Edges:
 - (1) all of the Assignor's interest in The Intellectual Property; and

- (2) the right to sue for damages and other remedies in respect of any infringement of The Intellectual Property which may have occurred before this assignment.
- (b) This assignment is effective on 29 September 2003.

2 Assignor's warranties

2.1 General

The Assignor gives the warranties in this clause 2 to Cutting Edges.

2.2 No material adverse effect

The Assignor is not aware of any circumstances which might have a material adverse effect on:

- (a) Cutting Edges's ability to further assign or otherwise deal with The Intellectual Property; or
- (b) the validity of any patent application, design application, patent or registered design which may be granted thereon forming part of The Intellectual Property.

2.3 Entitled to deal

The Assignor is entitled to assign The Intellectual Property in the manner provided in this deed.

3 Registering this assignment and further action

- (a) Cutting Edges must pay any fees or costs in relation to registering this assignment.
- (b) The Assignor must execute any documents and do any other things that Cutting Edges reasonably requests to:
 - (1) enable Cutting Edges to have its ownership of The Intellectual Property registered in any appropriate registry;
 - (2) enable Cutting Edges to file or prosecute in its name any application for a patent or other registration forming part of or relating to The Intellectual Property, whether in Australia, The United States of America, Canada, South Africa, Chile, Peru, Argentina or in any other country; and
 - (3) give effect to the terms of this deed.

4 Assignor's undertakings

The Assignor must not:

- (a) challenge or oppose, or assist a person to challenge or oppose, any application by Cutting Edges for a patent or other registration forming part of or relating to The Intellectual Property, whether in Australia or in any other country;
- (b) assist any other person in challenging or impugning the validity of:
 - (1) The Intellectual Property; or
 - (2) a patent, design or other registration granted to Cutting Edges relating to The Intellectual Property; or
- (c) take any other action to invalidate, put in dispute or impair in any way Cutting Edges's interest in or use or exploitation of The Intellectual Property.

5 General

- (a) A variation of the terms of this deed must be in writing and signed by the parties.
- (b) In this deed, unless the context otherwise requires:
 - (1) headings and boldings are for convenience only and do not affect the interpretation of this deed;
 - (2) words importing the singular include the plural and vice versa;
 - (3) a reference to a person includes a corporation; and
 - (4) a reference to a person includes that person's successors and legal personal representatives.

Deed of Assignment and Confirmation

Wayne Brinkley

Bruce Gale

and

Cutting Edges Pty Ltd

ACN: 000 919 602

This deed of assignment and confirmation

is made on 23 August 2005 between the following parties:

1. **Wayne Brinkley**
of 2-6 Natalie Road
Buccan, Queensland 4207
Australia
(**Brinkley**)
2. **Bruce Gale**
of 19 Suffolk Street
Paddington, New South Wales 2021
Australia
(**Gale**)
3. **Cutting Edges Pty Ltd**
(**ACN: 000 919 602**)
of 25A Violet Street
Revesby, New South Wales 2212
Australia
(**Cutting Edges**)

Recitals

- A. The intellectual property identified in the schedule to this deed will hereinafter be referred to as **The Intellectual Property**.
- B. At the time of filing of the patent applications listed in Part A in the schedule to this deed, only David Dingwall (**Dingwall**), an employee of Cutting Edges was named as an inventor.
- C. Dingwall assigned on 27 October 2003 and again by an assignment signed on 20 July 2005 which is effective as of 29 September 2003, any right, title and interest in The Intellectual Property, he may have had, to Cutting Edges.
- D. Brinkley and Gale are employees of Cutting Edges and during the course and scope of their employment with Cutting Edges they co-invented inventions contained in the patent applications listed in Part A in the schedule to this deed, however their status as inventors was inadvertently omitted from the patent applications listed in Part A in the schedule to this deed.
- E. Brinkley and Gale wish to confirm that they are co-inventors with Dingwall and that the omission of their names as co-inventors in the patent applications listed in Part A of the schedule to this deed occurred without any deceptive intention on their part
- F. Cutting Edges wishes to confirm that Dingwall, Brinkley and Gale are the co-inventors of the inventions in the patent applications listed in Part A of the schedule to this deed and that the omission of Brinkley and Gale being named as co-inventors occurred without any deceptive intention on their part.

- G. Brinkley and Gale will be referred to as **The Assignors**.
- H. The Assignors wish to confirm that any right, title and interest they may have in respect of The Intellectual Property, was owned by Cutting Edges at the time of filing of the applications listed in Part A of the schedule to this deed.
- I. In the event that the Assignors have any right, title and interest in The Intellectual Property pursuant to recital H above, the assignors wish to assign to Cutting Edges that right, title and interest in The Intellectual Property, including any right to claim convention priority and the right to file applications for patents, designs, utility models, registration of copyright or any other intellectual property in respect of The Intellectual Property in any country or jurisdiction, including those mentioned in the schedule to this deed, together with all common law and intellectual property rights therein including but not limited to copyright, free from all encumbrances.

This deed witnesses

that in consideration of, among other things, the payment by Cutting Edges to the Assignors of **A\$1**, the receipt and sufficiency of which is acknowledged, the parties agree:

1 Assignment

- (a) The Assignors assign to Cutting Edges:
 - (1) all of the Assignor's interest in The Intellectual Property; and
 - (2) the right to sue for damages and other remedies in respect of any infringement of The Intellectual Property which may have occurred before this assignment.
- (b) This assignment is effective on **30 September 2002**.

2 Confirmation

- (a) Brinkley and Gale confirm that they are co-inventors with Dingwall and that the omission of their names as co-inventors in the patent applications listed in Part A of the schedule to this deed occurred without any deceptive intention on their part;
- (b) Cutting Edges confirms that Dingwall, Brinkley and Gale are the co-inventors of the inventions in the patent applications listed in Part A of the schedule to this deed and that the omission of Gale and Brinkley in not being named as co-inventors occurred without any deceptive intention on their part.

3 Assignor's warranties

3.1 General

The Assignor gives the warranties in this clause 3 to Cutting Edges.

3.2 Entitled to deal

The Assignors are entitled to assign The Intellectual Property in the manner provided in this deed.

4 Registering this assignment and further action

- (a) Cutting Edges must pay any fees or costs in relation to registering this assignment.
- (b) The Assignors must execute any documents and do any other things that Cutting Edges reasonably requests to:
 - (1) enable Cutting Edges to have its ownership of The Intellectual Property registered in any appropriate registry;
 - (2) enable Cutting Edges to file or prosecute in its name any application for a patent or other registration forming part of or relating to The Intellectual Property, whether in Australia, The United States of America, Canada, South Africa, Chile, Peru, Argentina or in any other country or jurisdiction; and
 - (3) give effect to the terms of this deed.

5 Assignor's undertakings

The Assignors must not:

- (a) challenge or oppose, or assist a person to challenge or oppose, any application by Cutting Edges for a patent or other registration forming part of or relating to The Intellectual Property, whether in Australia or in any other country;
- (b) assist any other person in challenging or impugning the validity of:
 - (1) The Intellectual Property; or
 - (2) a patent, design or other registration granted to Cutting Edges relating to The Intellectual Property; or
- (c) take any other action to invalidate, put in dispute or impair in any way Cutting Edges's interest in or use or exploitation of The Intellectual Property.
